Dear Family Child Care Home Provider:

Earlier this year the amended Family Child Care Home Rules went into effect on January 1, 2010. The new rules require Family Child Care Home Providers that have been licensed prior to May 2007 to take the fifteen (15) hours of Advanced Training. The Department has tasked a group of individuals to develop the curriculum and make recommendations to the Department for this Advanced Training. This committee is continuing its work. Recommendations have not yet been submitted to the Department. No decisions regarding the training have been made.

Please be advised that due to the time constraints, the deadline to have completed this class has been postponed until further notice. Once decisions are made, you will be notified.

Please contact us with any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads 'R. Allen'.

Rosemarie Allen
Director
